## NEW MOVE IN THE STRIKE

PRICES OF PRODUCTS CUT BY THE

SHEET STEEL COMPANY.

Amalgamated Association Officials of Opinion the Reduction Is Intended to Injure Independents.

PITTSBURG, July 2.- The second day of he strike of the sheet steel and steel hoop tures. It was evident that neither side anticipated early developments, as there was no unusual activity about the combine of fices and the utmost quiet prevailed at the headquarters of the workers. As President Shaffer remarked, the conditions of the present strike were peculiar and no decide results were expected for ten days or two weeks. By that time the manufacturers having all necessary repairs at their mills completed would be anxious to resume operations. The struggle would then begin in earnest. The belief is quite general, however, that the real test will not come until the close of the hot weather and the general resumption of business in the early fall and in the meantime it is thought the conflicting interests will see their way clear to

The announcement to-day that the sheet company had cut prices occasioned sur-The heaviest cut is on No. 28, the standard gauge, which is reduced from \$3.35 per one hundred pounds to \$3.10. The lighter gauges have been cut in price from \$1 to \$3 a ton. The move puzzled the amalgamated officials and President Shaffer said: "It was done for the purpose of having an effect on the independent sheet manufacturers, who have signed our scale.

Association has not yet been called to meet to consider the situation, but a meeting will be held soon if the American Sheet Company shows no disposition to reopen negotiations. President Shaffer says the call for another conference will not come from the Amalgamated Association, as the ultimatum of that organization was given at

reached in Washington, on Monday, many of the machinists of the National Cash Register Company returned to work yesterday. A concession on the part of the company which will allow the nine-hour-dil schedule was made. It is believed the emploves also made concessions. The pay for ten hours is not understood to have entered President O'Connell, of the International

Association of Machinists, said yesterday that he regarded the machinists' strike as practically won. "There are now only 8,000 men out," he said, "and agreements are being signed every day reducing this number." The first financial aid to be received by the machinists since their strike began was accepted to-day by President O'Connell in the form of a check for \$5,000 from the American Federation of Labor.

ers and the striking machinists at Cincinnati were called off yesterday. Represen tatives of both sides have held several conferences during the past two days, but were unable to reach a satisfactory agreement. It was announced to-night that the manufacturers would to-morrow morning apply for an injunction in the United States Court to enjoin the strikers from picketing factories, or interfering with the nonunion men in the streets.

## FAMOUS DOG KILLED.
